

Sunnybrook Hospital Show Invitation to the WGA

The WGA have been invited by Sunnybrook Hospital to enter an art show from April 1 to May 13 (these are the drop off and pick up days respectively). This year it was decided to allow all members to enter into a selection process in order for a committee to pick art that will best represent our club in this show of 80 paintings. Members who wish to enter may send in photographs of 3 to 5 paintings of theirs by either email or mail to be received by February 14. Mailed entries must be accompanied with a postage stamped, self addressed envelope. By February 28, the selection committee would pick at least 2 or none out of the set sent in for review. Shortly after, the artists will be informed by either email or mail and given the signup sheet for the art selected and the hard copy photographs will be returned by mail. At this point, the artist will send by mail a cheque in the name of The Willowdale Group Of Artists in the amount of \$5.00 per painting to the below mailing address.

The selection committee will not necessarily pick all your pieces of art for the show in order to allow a good cross section of our members to participate.

The artists should be aware that Sunnybrook Hospital Arts are running this art show as part of their fund raising and as such will take a 20% fee on all art sold.

Each artist must comply with the Terms and Conditions of Sunnybrook Hospital Arts for their show (see the attachment).

The selection committee will consist of Steve Benedek, Elaine Gray and Bill Johns.
