Mixed Media Beyond Realism

Andrew Hamilton

In this three week workshop Andrew will lead you from realistic landscapes to abstracting the landscape in Beyond Realism. The participant will learn to simplify the landscape and using value studies, thumbnails and colour studies to finding your own unique style and create a personal colour sense and visual language. Using acrylics and mixed media this fun filled jam packed workshop will help you to create and simplify the landscape and slowly abstract away from photos and staying close to your realistic reference material. <https://www.studio201.ca>

Zooming In, Zooming Out in Watercolour

Barbara Eguchi

We will learn how to simultaneously practice landscape painting using different perspectives eg, sketching detailed wildflowers and panoramic views, using different size paper, nature journals, pocket sketchbooks, greetings cards and quarter sheets whilst vicariously exploring an entire late summer, early fall season compressing time into a single painting. This technique will sharpen your observation and expressive skills.
